XENON

OPTICAL PRO GAMING MOUSE

THE NEW ADDITION TO THE OZONE MICE FAMILY

AVAILABLE IN 3 COLORS

Xenon is a new generation mouse that will give you the best gaming performance and a stunning look. It is **specifically designed to suit all playing styles** and to ensure maximum control and comfort for both right and left handed users.

No matter if you make small precise movements or fast long range of wipes, **the side rubber pads will ensure the best motion control.** More than 30% of the surface is made of tested Teflon and the anti-tangle braided cord improves durability and lifetime of the mouse.

Xenon is available in three different colors: black, red and white. So you can **create your own gaming style.**
